"adventures in teambuilding"

Robyn Benincasa has been studying the good, the bad, and the not-so-pretty in teamwork for the past 12 years--First as a top sales rep for a Fortune 500 Pharmaceutical Company, and currently as a San Diego City Firefighter as well as one of the top Adventure Racers in the world. Her teams have won the most prestigious races in the sport, including the 7 day non-stop Eco-Challenge, and she now shares her teams' hard-won wisdom about creating that winning Human Synergy with corporations around the world through her adventure-based teambuilding company, World Class Teams.
